

Stratcom Bargaining

December 6, 2019

On December 5th, members of your Bargaining Committee consisting of Al Pasternak (Unit 63), Benny Chou (Unit 63) and Perry Pasqualetto (Union Representative) met to prepare for bargaining and created a Stratcom bargaining survey.

Stratcom members should return the completed survey to the Union by December 20, 2019.

The Committee will review all the feedback to set our priorities for this round of negotiations in January 2020.

Even though your Collective Agreement expired on November 30, 2019, the terms and conditions of that agreement remain in full effect until a new Collective Agreement is ratified by the membership.

The Bargaining Committee has scheduled dates with Stratcom to commence bargaining on February 10-13, 2020.

Stratcom bargaining updates are available at <https://usw1944.ca/strategic-communications-inc>.

Together, we are Union Strong!

In Solidarity,
