To the Members of Telecommunication Workers Union Benevolent Society:

We have audited the financial records and position of the TWU Benevolent Society for the period of January 1, 2022, to December 31, 2022.

The financial statements present fairly, in all material respects, the financial position of the Society as of December 31, 2022, and the results of its operations for the year then ended in accordance with generally accepted accounting principles.

In solidarity,
